SILENT AUCTION

Shop with Purpose

'My daughter often gets anxiety when asked to read for the class (Zoom),...but participating in these Budding Artists art classes has really helped her come out of her "shell"!'

ABOUT THE SILENT AUCTION

Budding Artists hosts an annual online and in-person Silent Auction event, bringing unique artisan items, artists, and community members in one space. All proceeds raised support our premier **Summer Exploration Program**.

This program provides sixty children in the South and Southeast Los Angeles areas with 6-weeks of free summer arts programming. The summer experience concludes with a culminating exhibition, allowing the young artists to display their work and share it with the community.

ABOUT THE SILENT AUCTION

WHY IS THIS IMPORTANT?

The **Summer Exploration Program** is offered in areas where there is limited to no access to arts programming, in primarily working-class communities of color. Program participants will experience the warmth, beauty, and passion of arts education through the following developmental areas:

**SOCIAL &
EMOTIONAL**

**LANGUAGE &
LITERACY**

COGNITIVE

PHYSICAL

BRAND OPPORTUNITIES & ENGAGEMENT

We're always looking for creatives and companies who are willing to donate items valued at \$100 or more to support this annual silent auction event. Help us make a difference in our community today!
